TERMS AND CONDITIONS

- **Minimum Order:** Minimums apply where stated or \$35.00 net per invoice.
- **Terms:** All sales are 2% 20 days. Net 30 days. A service charge of 1-1/2% per month (annual percentage rate: 18%) will be charged on all invoices outstanding over 30 days. No deductions for Return Goods Authorizations can be taken from payments until a credit memo has been issued by Trim By Design.
- **Pricing:** All prices are listed in U.S. Currency. Prices, shipping, packaging or handling charges are subject to change without notice. All orders will be invoiced at prices prevailing at the time of the order.
- **Product Changes:** We reserve the right to discontinue, alter, modify, or redesign products without notice.
- **Claims:** Upon delivery, if there is visible damage to the carton, claims against damaged and/or shortages must be made at the time of receipt against the carrier. Shortages, damaged merchandise, billing errors, etc., must be reported within 10 days of receipt of merchandise.
- **Liability** on any claims of faulty design, workmanship or material is limited to replacement by shipment of items from our plant, refund, or a combination thereof as we determine.

FREIGHT

All orders will be shipped prepaid and bill. Shipments are F.O.B. Commerce, CA. Full freight is allowed on shipments of \$800.00 net invoice value within the continental U.S.A. Trim By Design reserves the right to ship by method of our choosing.

RETURN GOOD POLICY

All returns, regardless of product and/or part must be accompanied by a Trim By Design Return Goods Authorization number, issued by Trim By Design. Trim By Design does not even exchange, or swap merchandise.

- All return authorization requests must be made in writing by fax or e-mail (RGA@trimbydesign.com) within 90 days of the original purchase and must include the original purchase order number with the reason for return.
- All non-warranty returns are subject to a minimum of 35% restocking charge.
- All returns must be returned to us within 30 days of the date of the Return Goods Authorization and returned in the original packaging. A \$15.00 fee may apply for products that are returned without original packaging or if damaged.
- All returns must be accompanied by a copy of the Return Goods Authorization form.
- **No returns on special orders or discontinued items.**
- All returns must be made freight prepaid by sender and the sender must assume all responsibility for shipping. Trim By Design reserves the right to limit and/or refuse any returns at their discretion.
- All returned products are subject to inspection by the Trim By Design returns department.
- 0 - 45 Days: 35% Restocking Charge ----- 46 - 90 Days: 50% Restocking Charge.
- No returns on products over 90 days from date of sale.

Trim By Design shall not be held responsible for any liability associated with misprints, typographical errors or pricing discrepancies in this publication.

TRIM BY DESIGN

Trim By Design, Inc. – One-Year Functionality Warranty

All plumbing products are warranted to be free of defects in material and workmanship for one (1) year from date of purchase by the original purchaser. The warranty is not transferable and is extended solely to the original purchaser of the product. Products must be installed in accordance with the installation instructions provided with the products.

Trim By Design will, at its election, repair, replace or make appropriate adjustment where Trim By Design inspection discloses any such defects occurring in normal usage within one (1) year of purchase by the original purchaser. Trim By Design is not responsible for removal or installation costs.

Trim By Design, Inc. – Drainage and Strainer Limited Warranty

Trim By Design warrants Polished Brass PVD (01), Stainless Steel (20), Polished Chrome (26) and Satin Chrome (27) finishes for kitchen sink strainers, disposal flanges, disposer stoppers, bar strainers, bath and lavatory drains of all types to be free of defects in material and workmanship during normal residential usage to the original consumer purchaser (“original purchaser”) for one (1) year from the date the product is purchased by the “original purchaser”. All other finishes have no warranty.

If a defect is found in normal residential use, Trim By Design will, at its election, repair, provide a replacement part or product, or make appropriate adjustment. If repair or replacement is not commercially practical or cannot be made in a timely manner, then Trim By Design will provide a refund for the product. Damage to a product caused by accident, misuse, or abuse is not covered by this warranty. Improper maintenance/care and cleaning will void the warranty. Proof of purchase (original sales receipt) must be provided to Trim By Design with all warranty claims. Trim By Design is not responsible for labor charges, installation, or other incidental or consequential costs.

Trim By Design, Inc. – Product Finish Limited Warranty

Trim By Design warrants all plumbing part finishes to be free of defects in material and workmanship during normal residential usage to the “original purchaser” for ten (10) years from the date the product is purchased on the original sales receipt by the “original purchaser”. PVD “Physical Vapor Depositing” finishes on products other than drainage and strainer are warranted as long as the “original purchaser” owns their home. The warranty is not transferable and is extended solely to the “original purchaser” of the product. Products must be maintained in accordance with the care and cleaning instructions provided with the products.

Trim By Design, Inc. - Commercial Warranty

Trim By Design warrants its products installed in an industrial, commercial application business to be free of defects in material, finish (including PVD) and workmanship for one (1) year from date of purchase by the “original purchaser”.

Maintenance

Proper maintenance and care is required to preserve all finishes. Abrasive material such as a brush or scouring pad and all cleaning products that contain ammonia, bleach and alcohol should not be used. Do not use brass or silver polish on products. Products may periodically be cleaned or waxed with non-abrasive compounds, such as Flitz or Faucet Brite. Always test cleaning solution on an inconspicuous area before applying to the entire surface. For complete care requirements and recommendations, please visit our website at www.trimbydesign.com.

Exclusions from Coverage

Trim By Design shall have no obligation under this warranty for leaks or damages caused by abuse, improper installation, temperatures below 41 degrees and above 140 degrees Fahrenheit, water pressure over 125 psi and Acts of Nature or Force Majeure. This Warranty does not cover labor charges, installation or other incidental or consequential cost or damages occurring during the removal, transportation, return or installation of Products or replacement Products. Products sold to customers for display use are not meant for resale and are not covered under any functional or finish warranty.

Some states do not allow exclusion of limitations of incidental or consequential damages, so the above limitation may not apply to you.
